Riverside Quarter: come and see the plans

Dear Neighbour,

We're writing to let you know about early proposals for the former Canal Basin depot, and to invite you to a public exhibition where you can meet the team and share your views.

The plans include around 420 new homes, including affordable homes, a 2.5ha canalside park, and space for local shops, cafés and workspace.

Drop-in exhibition: Saturday 14 March, 10am to 4pm, Canal Basin Community Hall.

If you can't make it, you can view the boards and fill in the feedback form at riversidequarter.co.uk until 31 March. We look forward to hearing from you.

Yours faithfully,

The Riverside Quarter team
on behalf of Iceni Projects
